See lists in the pullout

The preparation for the exams has started for the science, arts, and social sciences classes. However, the exams are not easy, and students need to prepare thoroughly. The exams are scheduled for May, and students are advised to study hard. The results will be announced in June.

President Dr. Ronald N. Mambo, Makerere University, has assured students that the university will provide them with all the necessary support to succeed in their exams. The university has also provided online resources and study materials to help students prepare for the exams.

Students are advised to stay disciplined and focused. The university has also provided a list of recommended books and resources for each subject. Students are encouraged to use these resources to prepare for their exams.

The university has also assured students that the results will be announced in a timely manner. Students are advised to check their results online or at their schools.

The university has also assured students that they will receive their results within the next two weeks. The results will be announced on the university's website and at the schools.

Students are advised to stay positive and focused during this period. The university has also provided a list of recommended resources and study materials to help students prepare for their exams.
